This league is for boys and girls in the under 13, 15 & 17 age groups. This year is a slightly different format, there will only be 3 teams per match an A and B string compete together in all events. We are in the Premier West division of which the top three teams will go into a premier championship playoff of which the top teams in this will compete in the UK National Young Athletes final.

We travel by coach to the grounds usually leaving at approx 09.00 and returning by 19.00.

In 2007 we made it to the auxiliary final in Birmingham, in 2008 we made it to the UK final in Manchester, and we came 7th. What does 2010 hold for us!

The team is chosen on a selection basis from the other leagues and the open meetings. This enables the best team to compete on the day.

Please let me know asap your availability for the above dates if you wish to be considered for the matches.
